- Social media content

WORK HISTORY

Videographer

January 2024-March 2024

Hess Waterfowl Guide Service – Colt, AR

- Sole videographer in charge of filming hunts and anything else necessary for the social media accounts of the guide service
- Operated cameras, lighting equipment, and audio gear to produce high-quality footage live with little margin for error
- Helped to increase social media presence

Videographer, Fly Fishing Guide

May 2023-August 2023

Echo Adventure Co-op – Groveland, CA

- Produced in-store informational videos for clients and customers to view to better understand intricate processes like panning for gold
- Collaborated with the company owners to produce high quality video examples of the guided trips offered
- Delivered photos and videos to clients of their experience with the company
- Adapted quickly to any changes that occurred out in the field

Intern, Video Department

June 2022-January 2023

MP Productions – Little Rock, AR

- Helped update and troubleshoot software
- Packed road boxes for all gigs, loaded and unloaded road boxes at the warehouse as well as work locations
- Managed multiple tasks while maintaining attention to detail
- Kept accurate records of video department inventory and tasks
